HIRE HEROES USA, INC.
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2011

1. ORGANIZATION

Hire Heroes USA, Inc. (“Hire Heroes”) is a mission-focused, 501(c)(3) not-for-profit organization incorporated in the State of Missouri on September 27, 1990 as Health Careers Foundation. The Organization formerly changed its name from Health Careers Foundation on April 19, 2010.

Hire Heroes offers transition assistance training, job search assistance, and job placement services to those who have honorably served in the military – and to their spouses - with a special focus on the two demographics statistically most likely to be unemployed: young veterans of Operations IRAQI FREEDOM and/or ENDURING FREEDOM, and veterans that are wounded or disabled.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

• **Basis of accounting**

The accompanying financial statements have been prepared on the accrual basis of accounting and reflect all significant receivables and payables.

• **Basis of presentation of financial statements**

Hire Heroes reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. Hire Heroes does not have any permanently restricted net assets.

• **Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ materially from those estimates.

• **Cash and cash equivalents**

For financial statement purposes, highly liquid investments with original maturities of three months or less when purchased are reported as cash and cash equivalents.

• **Inventories**

Inventories are stated at cost on a first-in, first-out method.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

- **Fixed assets**

Fixed assets are stated on the basis of cost with the exception of donated items, which are stated at fair market value at the date of donation. Expenditures for renewals and improvements are charged to the property accounts. Expenditures such as maintenance and repairs, which do not improve or extend the life of the respective assets, are charged to operations. The cost and related accumulated depreciation are removed from the accounts for equipment sold or retired. Acquisitions that have an estimated useful life greater than one year are capitalized and are depreciated on the straight-line basis using useful lives ranging from five to ten years. Hire Heroes does not own assets as of June 30, 2011, the organization received unrestricted use of Equipment and Furnishing for operations during the year.

- **Net assets**

Hire Heroes' net assets and its revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of Hire Heroes and changes therein are classified as unrestricted and temporarily restricted as follows:

Unrestricted net assets – Net assets that are not subject to donor-imposed stipulations.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may be met either by actions of Hire Heroes or the passage of time.

- **Contributions and revenues**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

- **Unconditional promises to give**

Unconditional promises to give are recognized as revenues or gains in the period received and as assets or decreases of liabilities, depending on the form of the benefits received. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

• **Contributed services and materials**

Donated services and materials are recognized as revenue at their fair values in the period received. During the year ended June 30, 2011, Hire Heroes received donated use of facilities and equipment throughout the year. The value of the donated office space, equipment use and utilities was \$34,424.

• **Functional allocation of expenses**

The costs of providing the programs and activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among program services and support services.

• **Income taxes**

Hire Heroes is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the "IRC") whereby only unrelated business income, as defined by Section 512(a)(1) of the IRC is subject to federal income tax. Accordingly, no provision for income taxes has been made.

3. STUDENT LOAN RECEIVABLES

Student loan receivables were generated when the Hire Heroes provided educational assistance to students in the form of student loans. The loan awards are interest free to the students while they attend college and accrue interest at the rate of 4% per annum beginning six months after graduation. The Organization has ended the student loan program.

Student loan receivables are stated at the amount management expects to collect on outstanding balances. Management provides for estimated uncollectible amounts through a provision for uncollectible loans and adjustment to a valuation allowance based on its assessment on the current status of individual accounts. Balances that are still outstanding after management has used all reasonable collection efforts are written off through a charge to the uncollectable allowance. As of June 30, 2011 student loan receivable balance was \$306,319. The uncollectable allowance totaled \$153,634 at June 30, 2011.

The Organization has contracted with a service organization to administer its scholarship awards and student loan program. As part of the agreement, the service organization manages student loan and the scholarship payment process. Total amount receivable from the service organization as of June 30, 2011 was \$9,639 and total amount of fees paid to the service organization during June 30, 2011 was \$20,080.
