

AT A GLANCE

THE SITUATION

More than 250,000 U.S. military members leave the service each year. Without effective transition assistance, many could join the ranks of more than 500,000 veterans already unemployed or underemployed in the United States. Military spouses also encounter unique job search challenges, leading to an unemployment rate five times the national average.

YEARLY IMPACT

16,000 HELPED

Includes clients working directly with a Transition Specialist, and others who access select services such as our job board, employment workshops, virtual events and Federal Sector assistance.

8,000 HIRED

Includes clients who work directly with a Transition Specialist, have access to our full suite of services and confirm new employment.

OUR SERVICES

When a U.S. military member, veteran or military spouse registers for our free services, they are paired with a Transition Specialist who provides expert resume revision and job search coaching specific to the individual's needs. Our team of professionals - augmented by more than 600 volunteers - coach, mentor, job source and mock interview thousands of clients each week.

Career Coaching delivered via phone and email helps clients understand transferable skills, create professional resumes, learn job search techniques and practice interview skills.

Employment Workshops provide in-person instruction and job search assistance. Attendees receive help creating a resume, learn from industry experts and network with employers.

The Hire Heroes USA Job Board houses more than 12,000 job postings across the United States and overseas. It is open to U.S. military members, veterans and military spouses upon proof of service.

Virtual Events include career fairs connecting job candidates with employers, workshops providing live instruction and webinars conducted by team members and volunteers with industry-specific experience.

HOW TO GET INVOLVED

GIVING

Our services are provided at no cost to military members, veterans and military spouses due to the generous contributions of donors.

\$10 provides a veteran with a career counseling session

\$50 equips a veteran with a professional resume

\$150 sponsors a veteran's attendance at an employment workshop

As the highest-rated veteran employment nonprofit on Charity Navigator, you can be assured your donation does the most good.
