JOBS AT NEW BALANCE

Loss Prevention Officer

Lawrence, MA

Under the general direction of the Loss Prevention Supervisor and day to day oversight by the Loss Prevention Team Lead, perform a variety of customer service and protection duties to monitor and ensure compliance with company policy relative to security, safety, and property. Monitor and respond to alarm signals and incidents at 100+ New Balance locations around the world from our global security operations center using intrusion alarm, video management, electronic access control, comprehensive risk management and dispatch activity tracking systems.

Distribution Associate

St. Louis, MO

New Balance's Distribution Associates are responsible for receiving and fulfillment functions of the Distribution Center to process orders for customers around the world. Major accountabilities include receiving incoming inventory, moving inventory as needed, pulling and picking product, working in sortation area to pack cases, preparing orders for shipment, and processing return orders.

Senior Merchandising Manager

Brighton, MA

Develop and implement the New Balance Footwear seasonal directed assortments for the Must Win & Priority key accounts, consistent with key brand initiatives and financial expectations. Drive the Go-To-Market process and execution, in cooperation with the respective Global Business Units, North America Sales and Account Marketing. Drive differentiation & product segmentation for key retailers. Drive model and style efficiency and eliminate product redundancy.

Retail Team Lead

Hanover, MD

Retail Team Leads function as an extension of Store Management, assisting with duties like opening/closing the store, interviewing candidates, and training new hires. On the sales floor they lead by example, demonstrating exceptional customer service and brand representation.

FEATURED TRAINING PARTNERS

Aspireship

Aspireship trains you online for sales careers in the SaaS (software) industry, then helps you land your next role at an innovative tech company. Their instructors and expert contributors are Founders, CEOs, VPs and Directors at fast-growth SaaS companies who have collectively trained hundreds of thousands of SaaS professionals worldwide.

No expensive tuition. No income sharing. No SaaS experience required. If you're motivated and think you have what it takes, they're ready to be your springboard into this rapidly growing industry. Learn on-demand on your own schedule. Get started at www.aspireship.com

CLC, Inc.

CLC, Inc. was founded in 2000, and was organized to promote employment by assisting unemployed and underemployed workers in need of high quality, family supporting jobs. Training classes offered by CLC are Aerospace Manufacturing, Welding, CNC Machining, Forklift/Logistics, IT and Bookkeeping/QuickBooks. CLC, Inc. provides job seekers with education, training, and employment services that lead to high skill-better paying jobs along with placement services with employers. To obtain more information on their training courses please visit their website at www.clcinc.org and fill out the contact form.

JD Service Now

The time is RIGHT Now to learn a trade and JD Service Now offers on-the-job training to grow you into the plumbing or heating and air technician you want to be. They appreciate all you have done for our country, so along with their accredited state program, you can receive your GI Bill benefits while completing the apprenticeship. So don't wait; reach out to see what they have to offer. If you are curious about the plumbing or HVAC trades, learn more here. Visit www.jdappytoday.com when you are ready to apply.
