FEATURED TRAINING PARTNERS

[Project Road Training](#)

Project Road Training, LLC offers a low-cost path to PMP certification. Project Road Training, LLC provides an on-demand CAPM Exam Prep eLearning course. The course is normally listed at \$177.60, but it's offered to veterans for \$17.76. To learn more and to read testimonials from other clients, visit [Project Road Training's website here](#).

LAWRENCEVILLE | ALPHARETTA-NORTH FULTON

[Gwinnett Technical College](#)

Gwinnett Technical College is the first technical college in Georgia to provide dedicated advisement services for all qualified veterans, their spouses and dependents through its Office of Veterans Affairs. Gwinnett Technical College's advisors will guide you through admissions and financial aid – including assistance with VA certification. They can also help you register for classes, apply for graduation and plan your career after college. For more information on services provided and other resources, [click here](#).

[VETS: Beyond the Uniform](#)

VETS – Beyond the Uniform Foundation is a coaching, mentoring and employment skills training program developed by military veterans. Its mission is to educate veterans and provide additional skills to assist in a successful journey from military service into employment. It also provides coaching, mentoring and training for employers that want to design and implement successful veteran hiring and retention programs.
