### JOBS AT SANFORD HEALTH

**ADMINISTRATOR - HOME & COMMUNITY BASED SERVICES**  
Kissimmee, FL

Responsible for the overall leadership and management of either a home health or hospice agency, including meeting established goals and outcomes, ensuring regulatory and organizational compliance, directing and coordinating work and financial and operational stability. May be responsible for coordinating sales and marketing for the agency, optimizing customer service and satisfaction. Creates and maintains a culture of safety for employees and clients.

**TRAVEL LICENSED PRACTICAL NURSE - RAPID RESPONSE TEAM**  
Remote, CO

Ready for a change? We're looking for compassionate, responsible, and adaptable Travel LPNs to join Good Sam's Rapid Response Team who can provide care to assigned residents in a caring, safe, and efficient manner. This position comes with premium compensation starting at \$37/ hour, guaranteed full-time hours, and a comprehensive benefits package. On top of that, we cover your costs associated with travel, lodging and food. If you love travel, we offer short-term assignments that vary from 2-4 weeks and employees are given 24 hours' notice of their next assignment. The LPN will be expected to travel 100% of the time on the job. Must be willing and able to work in COVID positive environments and traveling to different states across the Good Samaritan Society footprint.

**CAREGIVER - SERVICE AT HOME - PT**  
Kaneohe, HI

The caregiver provides in-home care to individuals who have difficulty performing basic day-to-day activities by assisting with personal care, administering medication, and providing companionship. The caregiver plans and follows a daily care schedule with clients, modifies care plans as prescribed by medical professionals, and reports on any new conditions or needs that may arise.

**CODER - HOME HEALTH/HOSPICE**  
Remote, TN (other locations available)

Assigns codes to diagnoses and procedures for home health and hospice medical records using current International Classification of Diseases (ICD) and Current Procedural Terminology (CPT) coding classification systems. Coding assignments are made for the purposes of reimbursement, research, compliance with federal and state regulations/guidelines and for severity of illness.

**RN CASE MANAGER**  
Prescott Valley, AZ

The RN Case Manager, Long Term Care (LTC) assesses, implements, and coordinates a plan of care for residents in pertinent areas. This position assures medications and treatments are administered to assigned residents, assists with plan of care and interventions for effectiveness, and assesses for accuracy of the MDS. Focuses on providing residents with opportunities for independence and maintaining self-esteem, privacy, and confidentiality.

### FEATURED TRAINING PARTNERS

#### NATIONAL HEALTHCAREER ASSOCIATION

Whether you stay in the service or decide to start a career as a civilian, National Healthcareer Association (NHA) is here to help you access a better professional future through allied healthcare certification. NHA empowers service members, transitioning service members, veterans and military spouses with tools to map military training and benefits to NCCA-accredited and nationally-recognized allied health certification and continuing education. Your military training and service could make you eligible for one of NHA's eight allied health certification exams.

To learn more, contact Comica Shaw at [military@nhanow.com](mailto:military@nhanow.com), [1-800-499-9092](tel:1-800-499-9092) or [click here](#). Connect with your Transition Specialist to request a discount code.

#### ACADEMY OF ADVANCED MANUFACTURING

The U.S. manufacturing sector is predicted to produce nearly 3.5 million jobs over the next decade. The Academy of Advanced Manufacturing trains military veterans for careers in high-demand technical roles. AAM is a 12-week, expense-free intensive program, designed specifically for veterans. AAM combines technical classroom training and hands-on lab experience with professional development and soft skills training necessary to become a highly trained Automation/Instrumentation/Controls Technician.

AAM takes care of your expenses during the 12 weeks of certification training including lodging, food, computer, tools, software, hardware and transportation to and from the provided lodging to the training facility. Participants are also paid a modest salary for 40- 46 hours of training each week. To learn more or to apply, click [here](#).

#### COVERED 6 SECURITY ACADEMY

Covered 6 offers specialized vocational job training for veterans in 5-week security academy programs. Their three programs consist of a comprehensive curriculum enabling veterans to have optimal career placement in the private sector. The programs include Executive Protection, Physical Security Specialist, and Cyber Security Technician Programs. Covered 6 accepts the Post 9/11 GI Bill for qualified veterans and/or their families.
