JOBS AT SHARP USA

BRANCH SALES MANAGER
Austin, TX

To support our growing business, Sharp Electronics is looking for a Branch Sales Manager to increase sales in our Business Systems division. We are currently hiring for opportunities in our Austin area sales office.

LOGISTICS SUPERVISOR
Falls Church, VA

The Logistics Supervisor is responsible for monitoring and coordinating the activities of a component or group of component logistical operations, such as set up, delivery or warehousing functions within a branch operation. The Logistics Supervisor may alternatively be responsible for the logistical operation of a single location within a larger branch operation and/or assisting the Logistics Manager in coordinating all branch logistical operations.

TECHNOLOGY SALES MANAGER
Falls Church, VA

To support our growing business, Sharp Electronics is looking for a Technology Sales Manager to increase sales in our Business Systems division. We are currently hiring for opportunities in our Falls Church area sales office. Responsible for meeting established sales quota through inspecting and coaching Account Executives on their performance against quota, health of their prospect pipeline, and execution of daily sales prospecting activities.

INVENTORY COORDINATOR
San Antonio, TX

This Inventory Coordinator position is responsible for ensuring that all equipment, supplies, and materials are received, stored, cataloged, and shipped in a manner consistent with Sharp Business Systems best practices. Must maintain and coordinate appropriate stock levels through inventory controls.

ACCOUNTANT
Moorhead, MN

Under the general direction of the Branch Controller or Finance Manager, this position will be responsible for the preparation of account analysis for an SBS branch, journal entries, account reconciliations and various monthly, quarterly and fiscal financial reporting.

BRANCH ACCOUNT EXECUTIVE
Moorhead, MN

To support our growing business, we are looking for additional Account Executives to increase sales in our Business Systems division. We are currently hiring for opportunities in our Moorhead area sales office. The successful candidate will be responsible for establishing and maintaining contact with existing customers, identifying new opportunities, and following up on potential leads. If you have prior experience in outside sales and a desire to expand your career, we want to hear from you.

FEATURED TRAINING PARTNERS

CUSTOM CANINE UNLIMITED

Custom Canine Unlimited is a 17-year-old presence canine training facility for law enforcement, military & private security companies in Gainesville, GA. They've had a relationship with the VA for over 8 years. Veterans can use their GI Bill benefits to become certified as a canine handler, canine trainer and/or a canine master. Please contact Doug Smith at dsmith@customcanineunlimited.com or visit www.customcanineunlimited.com for more information.

CODE PATROL

Code Patrol is a non-profit 'coding bootcamp' that helps veterans, Active Duty and military spouses transition into the civilian workforce by providing technical training and career placement. During their 14 week program, students are immersed in learning the full web development stack, including Python / Django, JavaScript / REACT, databases, HTML, and CSS. No previous programming skills are required. Learn more and apply here. Be sure to identify yourself as a Hire Heroes USA client and ask about funding options.

INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS LOCAL

The International Brotherhood of Electrical Workers Local Union 11 and the Los Angeles County Chapter of the National Electrical Contractors Association offer several different apprenticeship programs at no cost to students. Apprenticeships are granted through the Electrical Training Institute and are paid opportunities. They offer four different programs in the Los Angeles, CA, area. To learn more, visit here.
