FEATURED EMPLOYER

ABOUT GREYHOUND LINES

Greyhound is a unique business with an iconic brand. Founded in 1914, Greyhound is the only national operator of scheduled intercity coach services in the US and Canada, providing scheduled passenger services to 2,300 destinations carrying approximately 14 million passengers per year.

As a people-powered business, Greyhound is passionate about recruiting, developing, and training world-class talent. And to stay ahead as the industry leaders, it also provides a challenging and rewarding environment that encourages creativity, inspires growth, and enables everyone to achieve their full potential.

Greyhound's highly diverse team keeps the wheels moving across North America to help passengers travel in comfort and arrive at their destination on time. From bus maintenance and customer service to IT and the package express team, everybody has a big part to play.

CUSTOMER SERVICE ASSOCIATE LEAD

Philadelphia, PA

The Lead Customer Service Associate will perform activities in accordance with company standards to accomplish the overall organizational goals. Responsibilities include providing excellent customer service, cash handling, safety awareness, on-time performance, cleanliness of terminal and buses and providing a stellar customer experience. The Lead CSA will also serve as a mentor for other Customer Service Associates.

CDL BUS DRIVER - MULTIPLE STATES

See link for all states - some with sign-on bonuses

Imagine a career that can truly take you places, where along the journey you get to travel across the U.S. and meet interesting people, all while experiencing best in class training, generous benefits, and professional growth opportunities.

At Greyhound, we value our drivers. Our Motor Coach Operators can expect an annual income of \$50,000 - \$65,000 based on salary, OT and additional earning opportunities. You will earn while you learn during our professional training program and take advantage of generous benefit packages that include medical, dental, vision, free travel, 401K with company match and more.

Our drivers come to us with varying amounts of experience but ultimately become part of a cohesive, industry leading team that proudly serves the transportation needs of communities across the nation under an iconic brand. Greyhound drivers exemplify what it means to uphold superior standards. They carry themselves in a professional manner, in appearance and with every customer interaction. We look for experience that includes safe driving, positive past work experience, and a superior work ethic.

ADDITIONAL ROLES

Multiple States

We're looking for more talented people like you to join our winning Greyhound team. We have a variety of challenging and rewarding operations, maintenance and corporate jobs that offer competitive pay, lots of benefits and opportunities to grow. So, keep moving your career forward and help us to deliver a great service to our customers. An exciting journey starts here.

Greyhound has roles in a variety of areas - check back regularly to see if there are positions that fit your skills and interests.

FEATURED TRAINING PARTNERS

HEROES MAKE AMERICA

Heroes MAKE America is The Manufacturing Institute's initiative to build connections between the military community and the manufacturing industry. Its signature program, a DoD-approved SkillBridge, provides transitioning service members, veterans, National Guard, reservists and military spouses with the skills and certifications to find and excel in manufacturing careers. Heroes MAKE America offers in-person training at Ft. Riley, KS; Ft. Hood, TX; Ft. Bragg, NC; Ft. Campbell, KY and Ft. Benning, GA as well as online and remote training options. The program is offered at no expense to participants.

As a supplement, **Heroes Connect: Military to Manufacturing** is its program to facilitate virtual introductions with manufacturers who are hiring today. They are committed to helping today's American heroes become tomorrow's manufacturing leaders.

ASPIRESHIP

Aspireship trains you online for sales careers in the SaaS (software) industry, then helps you land your next role at an innovative tech company. Their instructors and expert contributors are Founders, CEOs, VPs and Directors at fast-growth SaaS companies who have collectively trained hundreds of thousands of SaaS professionals worldwide.

No expensive tuition. No income sharing. No SaaS experience required. If you're motivated and think you have what it takes, they're ready to be your springboard into this rapidly growing industry.

Learn on-demand on your own schedule. Get started [here](#).

HEAVY CONSTRUCTION ACADEMY

The Heavy Construction Academy of Brentwood, New Hampshire, trains and certifies professionals to operate nine state of the art pieces of heavy machinery. They combine hands-on training with classroom instruction through a six week program to provide each student with the skills to attain valuable Equipment Operator Certifications. The Academy also provides all students with lodging, transportation to and from school, protective gear and some meals. Visit our [website](#) to learn more and apply.
