

## FEATURED EMPLOYER

### ABOUT ITT, INC.

ITT Inc. is a diversified leading manufacturer of highly engineered critical components and customized technology solutions for the energy, transportation and industrial markets. Building on its heritage of innovation, ITT partners with its customers to deliver enduring solutions to key industries that underpin our modern way of life. Its headquarters is located in White Plains, N.Y., with employees in more than 35 countries. ITT Inc. has a deep commitment to cutting-edge technology that meets the world's most critical needs. None of these accomplishments would be possible without the 10,000 talented, dedicated people at the heart of the company - the people who make an enduring impact every day.

There is a unique spirit that defines ITT. It reflects its commitment to Respect, Responsibility, and Integrity, all values readily found in United States veterans and their families. Those values are ingrained in ITT Inc. and matter just as much as the products, brands or processes. It's all part of the ITT Way, the model for our growth and success where people are at the center, making a positive and powerful difference while driving the company into the future.
