JOBS AT ROBERT HALF

SA BUSINESS DEVELOPMENT VICE PRESIDENT

New York, NY

The Business Development Vice President is responsible for leading the strategy to target, scope and win high potential clients for Robert Half and it's consulting firm Protiviti. Using a multi-pronged approach to engage multiple levels of decision makers at target accounts, you will build consensus and confidence (externally and internally) by crafting powerful, value-driven messaging and sharing thought leadership throughout the business development process. Once signed, you will capitalize on the deep knowledge of the client gained during the initial business development cycle. You will work closely with business development and account management, delivery, and corporate teams to set strategy for immediate and sustained account growth and expansion of all practice areas and solutions. Your targets may vary by industry, geography, and revenue size.

CUSTOMER EXPERIENCE PROFESSIONAL

Deer Park, IL

Robert Half is seeking a Customer Service Representative to be a part of the Customer Service Department. Customer Service personnel typically interact with RHI branch sales personnel, external job candidates, Clients, internal departments (e.g. Payroll, Data Entry, etc.) and outside agencies and handle a variety of service requests that relate to payroll, benefits, employment verification, etc. The Customer Service department responds to a high volume of telephone, email and written inquiries, all of which require the identification, acknowledgement and analysis of customer needs/problems.

DIGITAL RECRUITER

Creve Coeur, MO | Remote

The Digital Recruiter in the Marketing and Creative Digital Talent Center will be responsible for maintaining an extensive network of digital talent while working in a fast paced business environment. The Digital Recruiter reports to the Branch Director in the Digital Talent Center, which is a nationally, fully remote, delivery organization focused on growing digital placement revenue for the branch offices it supports.

MARKETING DIRECTOR

Denver, CO

As a Market Director you will oversee multiple branch directors and/or double down as a branch director for one branch. Motivates and provides direction to all branch employees. The market director is responsible for incremental branch revenue growth that is consistent with Robert Half targets. Actively leads marketing activities and creates and maintains a productive business generation culture; facilitates cross-market activities for all branches. Oversees and supervises the administrative functions of the branch offices.

OPERATIONAL SUPPORT ADMINISTRATOR

Nashville, TN

Robert Half is seeking an Operational Support Administrator to join our Operational Support team to support a team of in person and remote talent solutions professionals that focus on placing candidates at client companies on a temporary or permanent basis. The Operational Support team is the backbone of our Talent Solutions operations.

FEATURED TRAINING PARTNERS

SYMBOL JOB TRAINING, INC.

Symbol Training Institute is a nationally recognized leader in advanced manufacturing training that has been preparing professionals for careers in the manufacturing industry for over 15 years. Symbol evolved out of Symbol Tool, Inc., a tool and die shop founded in 1985. It exists because their management team identified a need for specialized training. Utilizing over 50 years of experience in the manufacturing industry, Symbol created a unique curriculum that is concise and targeted specifically to allow an individual to complete training and gain immediate employment/upskill incumbent workers. Symbol has since expanded to provide a variety of courses with the same guiding principle of preparing specialists for our manufacturing community. Follow this link (<https://www.symboltraining.edu/tours/>) to learn more.

FUSION CYBER, INC.

Fusion Cyber Inc.'s mission is to identify and train a diverse pool of professionals to meet the 4.5M unfilled cybersecurity positions worldwide, 600k in the United States. Their core Cybersecurity Risk Management & Defense Bootcamp program(s) are in partnership with universities to market, recruit, educate, and place cyber talent across the nation and allied countries, in conjunction with scholarships from major corporations and in concert with the Capital Business Development Association (CBDA), a 501c3, for job placement, keyboard ready talent.

If you are a veteran or military/veteran spouse with technical propensity and an interest in cybersecurity risk management and are looking for a career change or new job opportunity, please learn more here <https://scholarships.fusioncyber.co/survey-form/>

LAUNCHING TECH CAREERS.
TRANSFORMING LIVES.

NPOWER

NPower is a national non-profit organization that provides intensive technology training, paid internships, and job placement assistance free of charge for veterans and military spouses in Dallas/Fort Worth, TX, Northern New Jersey, and the San Francisco Bay Area. In addition to an entry-level Tech Fundamentals program, NPower also offers multiple paths for advanced IT coursework and credentialing including Cybersecurity, and Cloud Computing.
