## FEATURED EMPLOYER

### ABOUT BISH'S RV

Bish's RV is one of the largest family-own RV dealers in the country. Growing coast to coast, we have doubled in size three times over the past five years. We are dedicated to providing quality products and services that exceed the expectations of our customers, and to creating an atmosphere where our customers can enjoy a positive experience as friends of our family business. At Bish's RV, our culture is built upon these three core values: being genuine, having fun, and driven by results. Not only do we provide an environment that makes you want to come to work every day, but one that makes you think about what your future at Bish's RV will be.

### JOBS AT BISH'S RV

#### SERVICE TECHNICIAN

Longview, TX

The Service Technician will need to have a proficiency in either mechanical, plumbing, HVAC, electrical, or maintenance work. 3-5 years of experience working in a technical field is required for the role. The Service Technician will need to have a set of personal tools, the ability to stand, stoop, crawl, and bend for long periods of time, and the ability to lift anywhere from 25 to 50 lbs with an assistive device.

#### SALES GENERAL MANAGER

Eldridge, IA

As the Sales and Finance Manager, you will be responsible for maintaining and growing the sales and finance departments. Your main objectives will be to coach, mentor, and building a high-performance sales/finance team designed to meet and exceed monthly goals.

#### DIGITAL SEM/SEO SPECIALIST

Meridian, ID

The Digital SEM/SEO Specialist will be part of the Bish's RV Marketing Team. The Paid Search Manager is responsible for leading and managing the paid search efforts across all Bish's RV locations. The core goal of this position is to reach the right consumers, compel them to start their customer journey with Bish's and convert them into buyers and advocates. We are a result and action-oriented team with a sales mindset that collaborates cross functionally across the organization.

#### MID-SR SOFTWARE ENGINEER

Meridian, ID | Remote Eligible

Software Engineers play an active role partnering with Architects and other Engineers to lock in the technology roadmap to ensure the foundation and approach will be performant and sustain high growth. The Software Engineer will design, develop and troubleshoot cloud-based applications using the AWS platform and technologies.

#### DIGITAL MARKETING SPECIALIST

Meridian, ID

The Digital Marketing Specialist is someone who is interested in the digital world and willing to learn. Having a passion for technology is a plus and desire to continue to learn is critical. Is confident in their ability in Google Analytics and other digital tools or is willing to learn the necessary skills. The Digital Marketing Specialist must be confident in their ability to understand, interpret, and manage business data. They will be a marketing leader responsible in improving all our digital marketing efforts. This job position will play a vital role in Paid Search. We are looking for a person that has experience in running campaigns in Paid Search and is familiar with the Google Ads platform.

### FEATURED TRAINING PARTNERS

#### PROJECT MANAGEMENT INSTITUTE

Project Management Institute (PMI) is the world's leading professional association for a growing community of millions of project professionals and global changemakers. For more information visit <https://www.pmi.org/>. #### NS2SERVES

NS2 Serves™ is an independent, nonprofit 501©(3) organization established by SAP National Security Services, Inc. (SAP NS2®) to give back to the community it serves by training and employing veterans in high-tech careers. The course is open to post-9/11 U.S. military service veterans and reservists (including disabled veterans), service members with orders to leave active duty, and Gold Star spouses who meet certain eligibility requirements. Program candidates become trained and certified in cutting-edge SAP technology and further develop critical business and interpersonal skills to excel in today's workforce. Since the inception of the program in 2014, NS2 Serves has trained and provided employment opportunities for 368 veterans to date. To learn more, please visit: <https://ns2serves.org/>.
