JOBS AT THE FEDERAL BUREAU OF INVESTIGATION

SPECIAL AGENT: HEALTHCARE SERVICES/MEDICAL BACKGROUND

Cleveland, OH

Use your medical and public safety background to become an FBI Special Agent! FBI Special Agents apply their professional expertise and unique skills sets to their work and role every day. Special Agents come from many professional backgrounds including previous roles in medical fields such as nurses and therapists. We need Special Agents who are logical thinkers, those with prior scientific work experience and knowledge to aid in investigations of healthcare (medical, dental and vision) fraud and insurance and government program abuse and evidence collection.

SPECIAL AGENT: STEM BACKGROUND

Denver, CO

Use your STEM background to become an FBI Special Agent! FBI Special Agents apply their professional expertise and unique skill sets to their work and role every day. Special Agents come from many professional backgrounds, including STEM. Because technology permeates every aspect of what we do, we need logical thinkers experienced in network security, computer science, software engineering, mathematical formulation and more.

SPECIAL AGENT: LINGUIST BACKGROUND

Miami, FL

Use your linguistics and language background to become an FBI Special Agent! FBI Special Agents apply their professional expertise and unique skill sets to their work and role every day. Special Agents come from many foreign language/linguistics backgrounds and use them to interview victims, translate during a suspect interrogation or testify in court. Language skills and cultural knowledge, specifically in Arabic, Bosnian, Chinese, Farsi, Russian, Somali, Uzbek, Korean or another language are highly sought after by the FBI.

SPECIAL AGENT: MILITARY/LAW ENFORCEMENT BACKGROUND

Phoenix, AZ

Use your military and law enforcement background to become an FBI Special Agent! FBI Special Agents apply their professional expertise and unique skill sets to their work and role every day. As a Special Agent with a military or law enforcement background, you can apply your tactical skills, leadership, integrity and teamwork to gathering evidence or helping to dismantle a criminal enterprise.

SPECIAL AGENT: PSYCHOLOGY/COUNSELING BACKGROUND

Seattle, WA

Use your psychology or counseling background to become an FBI Special Agent! FBI Special Agents apply their professional experience and unique skill sets to their work and role every day. Special Agents come from many professional backgrounds such as psychology, forensic psychology, counseling and social work. Your expertise in social science could significantly contribute to our work by analyzing motives and providing professional insight to help keep people safe.

FEATURED TRAINING PARTNERS

VETS2PM

Many people, especially transitioning service members and veterans, struggle with transitioning between and within organizational cultures, so Vets2PM created a simple yet comprehensive four-step process and support team to help them achieve meaningful, lucrative careers after their transition. Veterans make great professional project, HR, cyber/IT, and general managers. Proven by 4,000+ veterans-choose your path at <http://www.vets2pm.com/training/>.

HEROES MAKE AMERICA

THE MANUFACTURING INSTITUTE

THE MANUFACTURING INSTITUTE- HEROES MAKE AMERICA

Heroes MAKE America is The Manufacturing Institute's initiative to build connections between the military community and the manufacturing industry. Our signature program, a DoD approved SkillBridge, provides transitioning service members, veterans, National Guard, reservists and military spouses with the skills and certifications to find and excel in manufacturing careers. We offer in-person training at Ft. Riley, KS; Ft. Hood, TX; Ft. Bragg, NC; Ft. Campbell, KY and Ft. Benning, GA as well as online and remote training options. The program is offered at no expense to participants.

As a supplement, **Heroes Connect: Military to Manufacturing** is our program to facilitate virtual introductions with manufacturers who are hiring today. We are committed to helping today's American Heroes become tomorrow's manufacturing leaders.

To learn more, please go to <http://www.themanufacturinginstitute.org/Initiatives/Military-and-Veterans/Heroes-MAKE-America.aspx>
