### FEATURED TRAINING PARTNERS

#### Telecommunications Industry Registered Apprenticeship Program

Start Your Career in Telecommunications – an Industry Delivering Mission Critical Services.

Telecommunications connects one end of the world to another. From families and small businesses to emergency response services, hospitals, and airports, telecommunications allow people and businesses to communicate. The demand for high-speed internet and cell phone service continues to grow, and skilled workers are in high demand.

The Telecommunications Industry Registered Apprenticeship Program—TIRAP—is an earn as you learn program that is about more than a job. This nationally recognized program will prepare you for a rewarding career with high growth potential. The training includes workplace safety, job-related skills, and certifications required for success. For more information and to connect with apprenticeship opportunities, [click here](#).

#### Excelsior University

Excelsior University is an online, accredited, nonprofit institution that has been serving military, veteran and military spouse students for more than 50 years. More than 72,000 service members, veterans and their family members have earned degrees at Excelsior University, where credit is granted for military training and prior coursework. Excelsior University has consistently been named a Best for Vets college by Military Times, a top military-friendly college by Military Advanced Education and has consistently been recognized among military-friendly schools. Advantages include application fee waivers, tuition discounts up to 20% for undergraduate degrees and 15% off graduate degrees, maximum transfer credit for military experience, flexible eight-week courses to fit your schedule and dedicated admission counselors and academic advisors.
