### JOBS AT JOHNSON & JOHNSON

#### INSTRUMENTATION TECHNICIAN

Athens, GA

The Instrumentation Technician will Work in a regulated environment and carry out duties in compliance with all company and site policies in addition to state and federal regulations and guidelines including FDA, EPA, OSHA and DEA. This person sometimes works under hazardous conditions including strenuous exertion and chemical handling. This individual also understands the environmental impact of the work performed and therefore records and calls out environmental problems.

#### SITE QUALITY HEAD

Athens, GA

This position is head of the Quality functions of the Janssen Pharmaceuticals Quality Operations including Quality Control, Quality Assurance and additional support personnel across the Athens, GA Small Molecule Active Pharmaceutical Ingredient (API) manufacturing site. They are responsible for decisions related to product disposition, adequacy of technical documentation, site readiness, personnel performance, and organizational effectiveness. The position makes quality decisions based upon assessments of compliance risks balanced with the overall business needs. The incumbent crafts a framework within which the organization assesses innovative ways to issue resolution and process improvement. Provides interpretation of policies and regulations to unique site requirements and problems. Acts as quality rep for management initiatives.

#### BUSINESS DEVELOPMENT ANALYST

Danvers, MA

The Business Development Analyst will perform strategic, market, and financial analysis to identify new opportunities and assess risks. Additional responsibilities include developing market and valuation models for targets. This position will coordinate and support the due diligence process by working cross-functionally with clinical, R&D, finance, law, commercial, regulatory, and other internal stakeholders.

#### SENIOR FINANCIAL ANALYST GROUP FINANCE

Danvers, MA

We are looking for a highly motivated Senior Financial Analyst Lead for a newly created position at Abiomed. The Lead will assist in the execution and enablement of Abiomed's global financial planning and reporting capabilities as well as partner across various levels of the global Finance organization to orchestrate the consolidation and reporting of our financial statements on both an Actuals and Plan basis.

#### SENIOR DIRECTOR, EXECUTIVE COMPENSATION

New Brunswick, NJ

The Sr. Director, Executive Compensation leads the strategy, design, and implementation of executive compensation programs, including base pay, short-term incentive programs, long-term incentive structures, and executive perquisite programs. This position is responsible for the design and implementation of compensation programs for the top executives, the Board of Directors, and all long-term incentive participants globally. The Executive Compensation team is also responsible for supporting regulatory filings and monitoring changes in the regulatory and competitive environment regarding compensation.

### FEATURED TRAINING PARTNERS

#### MedCerts

MedCerts is an online school focused on helping individuals from all backgrounds gain access to better professional opportunities and successful careers. Since 2009, they have been providing affordable career training for military service members and their families, career changers, and the under- and unemployed. Focused on Allied Healthcare and IT certifications, they offer more than 35 career training programs. MedCerts is an approved vendor of the MyCAA scholarship for military spouses, the Army Credentialing Assistance Program, and the Workforce Innovation and Opportunities Act. For more information, visit [medcerts.com](https://medcerts.com).

#### FDM Group

The FDM Veterans Initiative provides no-cost vocational training with both a business and technical focus, followed by employment working with our prestigious clients as IT professionals. After completion of training, successful candidates represent FDM on client sites for a minimum of 2 years as FDM Consultants in specialties including Software Development; Application Support; Info/Cyber Security, Risk, Regulation and Compliance; DevOps; Project / Business Analysis; and more. Apply online at [fdmgroup.com/us/apply](https://fdmgroup.com/us/apply).

LAWRENCEVILLE | ALPHARETTA-NORTH FULTON

#### Gwinnett Technical College

Gwinnett Technical College provides education that leads directly to rewarding careers. Throughout its history, the College has expanded its Lawrenceville, GA main campus and welcomed the recent addition of a new 25-acre campus in Alpharetta. GTC offers over 150 associate degrees, diplomas, and certificates in 50 program areas, adult education classes, and continuing education seminars. It's one of the state's largest technical colleges serving more than 18,000 students annually. Programs, in the fastest growing fields where employers need a highly skilled workforce, boast a 98% job placement rate for graduates. Gwinnett Tech has provided real-world education for real-world jobs, for more than 30 years.
