## FEATURED EMPLOYER

NAVY  
FEDERAL  
Credit Union

### ABOUT NAVY FEDERAL CREDIT UNION

Join a credit union with a mission you can feel good about—supporting the financial well-being of servicemembers and their families. And, on top of doing meaningful work, there are lots of opportunities for training, certifications and career advancement. Navy Federal Credit Union started as a small group of naval employees with similar goals in 1933 has grown to include officers and enlisted men and women of all branches of the military, veterans, DoD employees and their family members. Today, we're proud to continue to serve the unique needs of our 13 million member-owners.

### JOBS AT NAVY FEDERAL CREDIT UNION

#### MORTGAGE COLLECTION COUNSELOR III

Winchester, VA

The Mortgage Collection Counselor III control/collect on past due late stage mortgage and equity accounts (31 + days) in delinquency, in accordance with all government, investor, VA/FHA, and Navy Federal rules and regulations. Provide member financial counseling and mitigate loss for Navy Federal. Serve as mentor/trainer and provide guidance and assistance to team members. Work under minimal supervision. Conduct complex/difficult tasks of considerable latitude.

#### STAFF ASSISTANT I/II

Winchester, VA

To assist the department leadership team in analyzing and evaluating the activities of the department/division, to coordinate actions that cross division lines and to provide administrative support. Lead complex/difficult and moderately varied tasks of considerable latitude and impact.

#### CLOUD NETWORK ENGINEER - ISD ENGINEER II - CLOUD ENGINEER

Pensacola, FL

The cloud Network Engineer will maintain technical expertise in all relevant areas of Azure cloud networking including virtual routers, firewalls, gateways, etc. The candidate will propose solutions to management that meet communication requirements based on future needs and current usage, and configure such solutions to optimize cost savings. This is a hands-on IT infrastructure position in a dynamic and fast paced environment and require close collaboration with operations, vendors, and delivery teams.

#### OPERATIONAL RISK ANALYST III (PROCUREMENT & VENDOR MANAGEMENT)

Vienna, VA

The Procurement and Vendor Management Operational Risk Analyst III supports effective departmental management under NFCU Data Governance Standards. In collaboration with business process owners, the Analyst role proactively builds and maintains risk and control matrices to identify, assess, monitor, update, and report operational control monitoring results related to procurement and vendor management.

#### ASSISTANT MANAGER

San Diego, CA

To assist the Branch Manager of a medium/large branch office by overseeing the efficient operation of the branch to ensure operational functions are completed and properly performed by branch staff.

#### MEMBER SERVICE REPRESENTATIVE

Orlando, FL

To provide members and prospective members the full range of products and services offered by Navy Federal Credit Union including depository accounts such as checking, savings, certificate IRA, revocable trust and estate accounts; Lending products; and credit/debit cards. To perform moderately complex platform banking functions under supervision. Provide assistance/training to lower level team members.

### FEATURED TRAINING PARTNERS

#### HOCK international

HOCK international is committed to empowering individuals with the tools they need to excel in their accounting and finance careers. Whether you are embarking on a new journey in accounting or seeking to elevate your existing career, they provide a comprehensive study program for the Financial and Managerial Accounting Associate (FMAA) certification. FMAA is designed to equip you with the foundational knowledge and skills necessary to jumpstart your career in accounting or finance.

Tax professionals in the United States are always in demand and the Enrolled Agent (EA) certifications provide immediate employment prospects in tax. Issued by the IRS, EA certification allows the EA to represent taxpayers before the IRS.

HOCK international's offerings also extend far beyond entry-level certifications. They also cater to professionals seeking to elevate their careers with advanced certifications such as the Certified Management Accountant (CMA), Certified Internal Auditor (CIA), Chartered Financial Analyst (CFA), and others. No matter where you currently stand in your career path, HOCK international has the resources to help you gain the knowledge and expertise needed to take your career to the next level.

Take Command of Your Accounting Career with HOCK international.
