

FEATURED EMPLOYER

ABOUT SERVICEMASTER

When disaster strikes, ServiceMaster Restore is here to provide the thorough damage restoration services. Our team of professionals arrives onsite quickly, 24 hours a day, 7 days a week, 365 days a year. We have knowledge and confidence backed by decades of field experience, along with proven restoration techniques that have been perfected in our own one-of-a-kind test house. From major disasters like storms and fires to damages caused by water or mold, the threats are real.

JOBS AT SERVICEMASTER

[DISASTER RESTORATION SALES REPRESENTATIVE](#)
Woodinville, WA

Are you a driven, outgoing, and sales-focused professional looking for a career where your success is directly tied to your effort? Do you enjoy building relationships, closing deals, and taking control of your earning potential? If so, we want you on our team!

[CLEANING SPECIALIST](#)
Woodinville, WA

We are a leader in the Commercial Cleaning Industry, and we have an immediate opening available! We have been in business for well over 30 years and continue to grow. We are seeking eager individuals looking for new opportunities.

[DISASTER RESTORATION SALES REPRESENTATIVE](#)
Everett, WA

The ideal candidate is enthusiastic and motivated with a strong drive for success, a natural communicator who thrives on building relationships, highly organized and adaptable in a fast-paced environment, and results-oriented and eager to make an impact.

HIRE HEROES USA DIRECT PLACEMENT ROLES

[SR. FIELD SERVICE ENGINEER](#)
Columbus, OH

Our client is looking for an experienced service engineer with a knack for electromechanical repair within a manufacturing environment. With little or no supervision, the Service Technician performs installation, training, maintenance, and repair to all equipment in a highly skilled, safe and professional manner. This position requires an employee to possess a high degree of independent judgment, with confidence in their maintenance capabilities.

[SAFETY COORDINATOR](#)
Phoenix, AZ

Our client has an exciting opportunity for a Safety Coordinator to join our team! As a Safety Coordinator, you will join forces with the Site Safety Manager to head up workplace safety initiatives for one of our production facilities. You will be on the front lines of production and immerse yourself in the daily production operations to inspire change and raise the bar on safety performance. Champion a culture of safety and care for our manufacturing team.

[VOIP ENGINEER](#)
Quantico, VA

As a VoIP Engineer, you will monitor and control the performance and status of voice and video resources across multiple enclaves and locations utilizing software and hardware tools. In this role, the Engineer will configure and install VoIP hardware/software replacements and upgrades. In addition, the individual will work to ensure all voice applicable STIGs and vulnerabilities are resolved or mitigated in a timely manner.

[ELECTRICIAN](#)
Glendale, AZ

Our client is seeking an Electrician knowledgeable in Control wiring, Calibration, Flow, Level sensors, Temperature monitoring, PLC, Reading & interpreting electrical and mechanical prints, 3 Phase power, variable speed drives, Industrial controls, be able to lift 50 pounds, Climb ladders, work at heights up to 25 feet above floor.

FEATURED TRAINING PARTNERS

[PM-ProLearn](#)

[PM-ProLearn](#) is a Veteran Founded training and consulting company that specializes in project management certification (CAPM, PMP, PMI-ACP, Disciplined Agile, SAFe, Lean Six), and organizational development. Their year-long all-inclusive partnership model (exam and failure retest included) is unique and highlights their focus to serve students and ensure their success. Students can join a class already scheduled or PM-ProLearn can custom schedule worldwide with at least 8 students. PM-ProLearn is Air Force COOL and ArmyIgnited approved and can help with unit funding. They also have corporate training solutions with flexible voucher pricing. All veterans and their families get a 30% discount if paying out of pocket or can receive free training as a course ambassador. Please email trainingquote@pm-prolearn.com to learn more or visit www.pm-prolearn.com.

[AristaLearn](#)

[AristaLearn](#) has joint-ventured with Illinois Valley Community College to bring you the **IT Leadership Certificate Program** which is fully approved by the Post 9-11 GI Bill. In 24 weeks, students will gain 10-12 of the hottest industry certifications, assessments and also will be able to test and use some of the world's best collaboration tools.

Courses are on-line and full-time students are eligible for 50% of their housing allowance per the Post 9-11 GI Bill. You can take the full program or supplement with key certifications. Please don't let your benefits go to waste!

This program was developed from serving the private sector for over 30 years. AristaLearn has trained thousands of students globally and are delighted to report that 100% of their alumni have received great jobs, raises and promotions due to applying themselves wholeheartedly to the training and methods provided. To learn more, please visit: www.AristaLearn.com.
