

## FEATURED EMPLOYER

### ABOUT HUNT MILITARY COMMUNITIES

At Hunt Military Communities, your growth is a top priority. With a clear career path, regular performance reviews, and dedicated support from your leadership team, we'll work together to set meaningful goals that align with both your personal aspirations and our company's mission. We're committed to promoting from within, offering exciting opportunities for career advancement across our nationwide locations, giving you the chance to grow professionally while exploring new parts of the country. Your success matters to us, which is why we offer an Educational Assistance Program to support your pursuit of certifications and higher education. When you join HMC, you become part of something greater—many of our team members are military veterans or spouses, bringing a deep understanding of our mission. Together, we're not just providing homes; we're building communities and enriching lives.

### JOBS WITH HUNT MILITARY COMMUNITIES

#### RESIDENT SERVICE SPECIALIST

New Windsor, NY

The Resident Services Specialist has the primary responsibility of providing assistance and coordinating all requests from the residents with the property management team. In addition, this position is responsible for the overall appearance of the community, assisting in marketing functions, and exceptional customer service to all residents. This includes but not limited to maintaining resident files, resident retention programs, receiving and following up with service requests, meeting with resident groups, and otherwise assisting the Community Director and Community Manager in ensuring compliance with all Hunt Military Communities policies and Government compliance requirements.

#### COMMUNITY DIRECTOR

Warner Robins, GA

Under the direction of the Director of Operations, the Community Director is responsible for the operational and financial oversight of assigned community to achieve company goals. The typical scope of responsibility is between 500 - 950 units. Results will be achieved through facilitating the optimum performance of the community in areas such as personnel management, leasing, collections, resident services, maintenance, revenue enhancement, capital improvements, Government/Partner relationship, information reporting and compliance with all applicable laws and company policies. This position requires excellent communication and collaboration skills, along with strong computer and hands on-management skills.

#### GENERAL MAINTENANCE TECHNICIAN

Camp Lejeune, NC

Technicians may specialize as a COM (Change of Occupancy Maintenance) or resident service request technician or may be utilized to respond to multiple types of work orders. Primary responsibility is to perform maintenance functions in the community, including rental units, office buildings, residential areas, grounds, and parking lots. Perform general maintenance and repair of building structures and associated mechanical, electrical, plumbing, sanitary systems, and equipment. Ensure that all service is performed safely and results in favorable customer feedback which is documented by favorable customer service survey results.

#### MAINTENANCE DIRECTOR

Fort Lee, VA

The Maintenance Director is responsible for maintaining the physical condition of asset in a safe, attractive, and comfortable condition. Accountable for achieving financial operation and maintenance metrics. Responsibilities include but not limited to establishing preventive maintenance programs, safety, compliance, performing property and equipment inspections, maintaining the project inventory, supervising personnel, assigning maintenance tasks, and preparing work schedules, and ensuring compliance with all maintenance related policies. The typical scope of responsibility is 950+ units.

### HIRE HEROES USA DIRECT PLACEMENT ROLES

#### SENIOR SOFTWARE ENGINEER

Willowbrook, IL

We are seeking a self-motivated, detail-oriented, and collaborative senior developer to contribute to the development of new software products and enhance existing applications. The ideal candidate excels in real-time full stack application development and possesses strong communication and UI design skills.

#### SYSTEM ENGINEER

Willbrook, IL

We are seeking a talented Systems Engineer with 3-5 years of hands-on experience in designing, deploying, and maintaining mission-critical IT infrastructure. The ideal candidate will join our systems engineering team in Willowbrook, Illinois, reporting directly to our Systems Engineering & Information Technology Manager. Due to the sensitive nature of our work, U.S. Citizenship and the ability to pass a rigorous background investigation, drug screening, and working on location are required.

#### FIELD SALES TRAINER

Dallas, TX

Our client has exciting opportunities for motivated and knowledgeable Retail Sales Trainers! Our sales trainers play a critical role in customer relationships and develop, lead, and execute training programs that empower retail sales associates with the skills and knowledge necessary to effectively sell mattresses and sleep products. Candidates that are passionate about building relationships, customer experience, product education, and driving sales performance through engaging and results-driven training should apply!

#### SR VOIP ENGINEER

Quantico, VA

As a Senior VoIP Engineer, the individual will oversee and manage all components of the Cisco Unified Communication Manager cluster. In this role, the Engineer will monitor and control the performance and status of voice and video resources across multiple enclaves and locations utilizing software and hardware tools. In addition, the individual will work to ensure all voice applicable STIGs and vulnerabilities are resolved or mitigated in a timely manner.

### FEATURED TRAINING PARTNERS

#### Real Estate Closing Path

[Real Estate Closing Path](#) provides training and job placement services in the real estate closing industry. Pre-closers, closers, and post-closers assist attorneys in prepping and processing the documents in a real estate transaction. This is a niche field in high demand with professional income-earning potential without needing a college degree. Our 6-week beginner course trains individuals in all the fundamentals of closing, including how to read a contract, understanding the closing timeline, title and lender basics, industry vocabulary, etc. We also offer hands-on access to industry software, as well as extensive networking with guest speakers who are leaders within the industry. Learn more and apply at [Real Estate Closing Path | Training | Georgia](#).

#### Aspireship

[Aspireship](#) trains you online for sales careers in the SaaS (software) industry, then helps you land your next role at an innovative tech company. Their instructors and expert contributors are Founders, CEOs, VPs and Directors at fast-growth SaaS companies who have collectively trained hundreds of thousands of SaaS professionals worldwide.

No expensive tuition. No income sharing. No SaaS experience required. If you're motivated and think you have what it takes, they're ready to be your springboard into this rapidly growing industry.

Learn on-demand on your own schedule. Get started at [www.aspireship.com](http://www.aspireship.com)

#### SANS Cyber Academy

The [SANS Cyber Academy](#) program is a hands-on training program that produces high-quality cybersecurity professionals ready to enter information security roles immediately upon graduation. The Cyber Academy provides advanced technical training, industry-recognized certifications, and connections to jobs in cybersecurity. The Academy program has applications open quarterly and is 100% scholarship-based for qualified participants with an aptitude for cybersecurity who are looking to enter the field.
