This role also provides leadership and daily oversight to the maintenance team, ensuring that established Company objectives are achieved.

HIRE HEROES USA DIRECT PLACEMENT ROLES

DATA ENGINEER

Glendale, AZ | Remote

As a Data Engineer on our Data team, you will play a critical role in designing, building, and maintaining reliable data pipelines and infrastructure that power analytics and data-driven decision-making across the organization. Your primary focus will be ingesting into, transforming, and optimizing data within our Snowflake Data Warehouse using modern data tools such as dbt. Success in this role means delivering trusted, performant, and scalable data systems that enable downstream analytics, reporting, and machine learning.

NATIONAL EVENTS COORDINATOR

Dallas, TX

The National Events Coordinator is responsible for the strategic planning, project management, and execution of all events nationwide. This position is a key driver of organizational visibility and revenue generation, managing logistics for major annual initiatives including our Veterans Day and Memorial Day campaigns, Ambassador Summit, Warships Seminar Series, and annual Gala. The Coordinator ensures that each event strengthens donor engagement, reinforces our mission, and delivers measurable fundraising outcomes.

POWER BI DEVELOPER

Glendale, AZ

As a Power BI Developer on our Data team, you will play a critical role in shaping how data is modeled, transformed, and consumed across the organization. Your primary focus will be building high-impact Power BI reports and reusable semantic models that empower self-service analytics and drive data adoption. Success in this role means delivering trusted, performant, and user-friendly analytics solutions while collaborating closely with stakeholders and the broader data team.

FEATURED TRAINING PARTNERS

COVEREDSIX

[Covered 6](#)

Covered 6 Security Academy is a **Department of Labor nationally recognized vocational school** and a leader in professional security education. We are more than just a 20,000 sq/ft training facility, we bridge the gap between military service and civilian careers by combining advanced training, real-world operations, and cutting-edge technology.

We proudly accept the **Post-9/11 GI Bill®** and are committed to supporting U.S. military Veterans as they transition into high-demand protective careers. Our programs are taught by an elite cadre of instructors—military Veterans, former and active law enforcement officers, and private-sector experts—who bring decades of operational experience to every class.

Students can pursue three specialized career pathways:

Physical Security Specialist: Training in firearms, arrest and control, TCCC, crisis intervention, and uniformed protective operations.

Executive Protection: Advanced close-protection skills, threat assessment, estate security, and secure transportation.

Cyber Security Technician: Hands-on training in network defense, incident response, and preparation for CompTIA certifications.

Start your path toward a rewarding future in the security industry.

Custom Canine Unlimited

Custom Canine Unlimited is a 22 year-old premiere canine training facility for law enforcement, military, and private security companies in Gainesville, GA. They've had a relationship with the VA for over 14 years. Veterans can use their GI Bill benefits to become a certified canine handler, canine trainer, and/or a kennel master. Please contact Brandon Martin at bmartin@customcanineunlimited.com or visit www.customcanineunlimited.com for more information.

[Excelsior University](#)

Accredited and not-for-profit, Excelsior University has been delivering on its mission to provide educational opportunities to students since 1971. Excelsior has a long history of welcoming learners from diverse backgrounds, particularly those who do not see themselves reflected in traditional higher education. With a long-standing commitment to veterans, military service members, and their families, Excelsior has been named a Best College by Military Times and recognized as a Military Friendly and Military Spouse Friendly School. Excelsior accepts military credit, including credits earned through military training and experience, as well as credit from CLEP and DSST exams and courses from other accredited colleges and universities. No application fee, a generous transfer credit policy, tuition discounts through partnerships, and financial aid programs such as military tuition assistance and veterans benefits/GI Bill® can help lower costs. Students can choose from more than 35 degree programs, some with hybrid options. Military-focused admissions counselors and academic advisors support students, and students have access to support and resources when needed. [Learn more](#)
