

## FEATURED EMPLOYER

### ABOUT NASCAR

NASCAR was founded on skill and performance, and that's what it takes to succeed as an employee at NASCAR. There are plenty of places to put your talent to work—there is something for everyone. The Competition side of the sport is driven by innovation—science, engineering, and technology. The Media divisions bring the NASCAR story to life through TV broadcasts and creative video production. The Marketing and Sales teams are renowned for their ability to connect the sport to top companies and pop culture. The entire sport is supported by a world-class team dedicated to innovative business practices and strong processes.

### JOBS WITH NASCAR

#### [SENIOR COORDINATOR, TRACK CONTENT](#)

Charlotte, NC

The Senior Coordinator, Track Content is responsible for digital and social media content creation and execution for assigned racetracks.

#### [PROMO TEAM EVENT STAFF](#)

Daytona Beach, FL

NASCAR is seeking energetic and self-motivated individuals interested in obtaining practice and relative experience in the motor sports industry. This position will support the Daytona International Speedway Event Experience and Marketing departments through onsite event activations and grassroots initiatives. Promo Team members will credibly and responsibly represent oneself as the face of Daytona International Speedway to current and prospective fans by assisting in community events and race day responsibilities. This is a temporary seasonal position and hours will be dependent on the appearance schedule.

#### [SENIOR WEB DEVELOPER](#)

Charlotte, NC

The Senior Web Developer is responsible for the technical development and ongoing enhancement of the company's digital platforms, including the website and other public-facing properties. The role emphasizes hands-on engineering, platform ownership, and mentoring other developers while supporting the evolution of architecture and content delivery systems.

#### [SECURITY EVENT STAFF](#)

Homestead, FL

Security Officers provide visible security presence to guests and employees. Locking/unlocking doors and gates at appropriate times. Screen all persons entering ticketed and/or secure areas for valid credentials/tickets. Assist guests with questions regarding directions, information about the facility, parking, and disabled assistance. Posts are located throughout Speedway properties.

#### [MANAGER, BROADCASTING](#)

Concord, NC

NASCAR is seeking a skilled and detail-oriented Manager, Broadcasting to join our team in Concord, North Carolina. This role manages the day-to-day relationships, scheduling, and operational needs of NASCAR's domestic television and broadcast partners. The Manager serves as a central liaison between networks, production teams, competition groups, tracks, and internal stakeholders to ensure flawless execution of weekly broadcast requirements.

### HIRE HEROES USA DIRECT PLACEMENT ROLES

#### [FIELD SERVICE TECHNICIAN](#)

Willowbrook, IL

We are seeking a qualified Field Service Technician (FST) to assist in the assembly, deployment, testing, and maintenance of advanced security technology solutions. As a member of the technical staff, the FST will be responsible for assembling, implementing, and supporting a variety of proposed solutions, with the goal of ensuring successful implementation of projects. The FST will be expected to build technical knowledge, use and advance their technical skills on innovative technology, and achieve upward mobility in a hands-on environment. This position requires a self-starter to deliver the desired customer service experience. The ideal candidate is someone who demonstrates ambition, willingness to learn, and strong work ethics. A keen attention to detail and organizational skills are necessary to perform job duties.

#### [System Engineer](#)

Willowbrook, IL

We are seeking a talented Systems Engineer with 3-5 years of hands-on experience in designing, deploying, and maintaining mission-critical IT infrastructure. The ideal candidate will join our systems engineering team in Willowbrook, Illinois, reporting directly to our Systems Engineering & Information Technology Manager. Due to the sensitive nature of our work, U.S. Citizenship and the ability to pass a rigorous background investigation, drug screening, and working on location are required.

### FEATURED TRAINING PARTNERS

[Vets2PM](#)

[Vets2PM](#) helps military service members, veterans, and professionals become project managers and companies hire them. We are a FL DoE-licensed approved to operate in multiple states, project management vocational school in the national accreditation process, serving servicemembers, spouses, and veterans nationwide. We have prepared more than 19,000 students for CAPM®, PMP®, PMI-ACP®, and Scrum certifications through in-residence and online programs, including the Army-approved 60-day Master Project Leadership Workshop. Using approved funding sources such as VA Benefits, AF COOL, Army CA, MyCAA, and DoL programs, we provide accessible, career-focused training and lifetime employment support. As a service-disabled veteran-owned small business and three-time DoL HireVETS Gold Award recipient, Vets2PM strengthens America's workforce, economy, and long-term veteran outcomes. For more information, please visit <https://vets2pm.com/>.

[LAWES Private Training Academy](#)

[LAWES Private Training Academy](#) is a Georgia state-accredited security training institution providing certification programs for individuals pursuing careers in the private security and protective services industry. Programs include Armed and Unarmed Security Officer training, Executive Protection certification, Private Investigator courses, and Firearms Safety & Control Fundamentals, all delivered by experienced law enforcement and security professionals.

State-mandated certifications issued through LAWES Academy are governed by Georgia law and apply to individuals seeking licensure and employment within the State of Georgia. LAWES also offers job assistance to graduates pursuing opportunities in the private security sector.

Veterans, transitioning service members, and military spouses referred through Hire Heroes USA may be eligible for program discounts. Career-focused, industry-recognized training — learn more at [www.pvttoa.com](http://www.pvttoa.com).

**THE MILITARY EDITOR®**  
AGENCY

[The Military Editor Agency, LLC](#)

[The Military Editor® Agency](#) is a boutique ghostwriting and editing agency catering exclusively to military authors and military-related manuscripts. Founded by Brunella Costagliola, an Air Force spouse with over 15 years of experience in the publishing industry, the agency grew from her work with major publishers and literary agencies and her decision to pivot her career to serve the military community exclusively. By the military, for the military, our team of ghostwriters and editors—service members, veterans, military spouses, and military children—is personally trained by Brunella to uphold the high standards she guarantees every author. Our 6-month publishing internship provides a hands-on introduction to the world of publishing, giving interns practical experience in both the creative and business sides of the industry. Interns will learn basic creative writing skills, ghostwriting techniques for fiction and nonfiction, and the rules and standards of *The Chicago Manual of Style*. By the end of the internship, participants will have a well-rounded understanding of the publishing process and the skills needed to support authors from manuscript to market. To express interest in joining our internship program, visit [www.themilitaryeditor.com](http://www.themilitaryeditor.com) or email [info@themilitaryeditor.com](mailto:info@themilitaryeditor.com).
