### JOBS WITH PYE-BARKER FIRE & SAFETY

#### OUTSIDE SALES REPRESENTATIVE

Winter Haven, FL

The Outside Sales Representative will sell products and services offered by the company to current and new clientele in the Haines City, FL & Lakeland, FL area. The Outside Sales Representative is responsible for increasing sales by developing and maintaining relationships with customers and clients. Duties may include identifying prospective customers, following up on potential sales leads and maintaining relationships with existing customers. Outside Sales Representatives may also recommend marketing strategies designed for a target market.

#### FIRE ALARM SYSTEMS SALES REPRESENTATIVE

Sioux Falls, SD

The Outside Sales Representative will sell products and services offered by the company to current and new clientele. The Outside Sales Representative is responsible for increasing sales by developing and maintaining relationships with customers and clients. Duties may include identifying prospective customers, following up on potential sales leads and maintaining relationships with existing customers. Outside Sales Representatives may also recommend marketing strategies designed for a target market. The primary focus for this position is the sales of fire alarm systems - new installations and upgrades or repairs to existing systems.

#### SUPPRESSION SERVICE TECHNICIAN

Houston, TX

This position is responsible for the proper installation, operation, and maintenance of pre-engineered fire suppression systems. Responsibilities include inspecting, testing and performing system checks in accordance with fire code, identifying code and system deficiencies, and preparing accurate and timely inspection reports.

#### TRAVELING SECURITY SERVICE & INSPECTION TECHNICIAN

Knoxville, TN

The position is responsible for servicing, installing, maintaining, and inspecting security systems. You will ensure that all systems and components are maintained in accordance with industry standards and the customer's operational requirements. This is a full-time traveling position, requiring out-of-town work from Monday through Friday. A per diem will be provided, along with hotel accommodations, a company vehicle, phone, laptop and a gas card.

### FEATURED TRAINING PARTNERS

#### Boots to Books

Boots to Books provides veterans, transitioning service members, members of the Guard and Reserve, and military spouses with free assistance landing their dream job, no matter the industry. Through B2B's programs, individuals can build necessary job-seeker skills, such as resume writing and interviewing, and the technical skills required for their target job at no cost. Opportunities include quarterly scholarships for industry-recognized professional certifications matching recipients' career goals, monthly scholarships in partnership with Google, per semester textbook and laptop scholarships, regular events covering the resume, interview, and different industries available post-military, and an online video course breaking down all of the pain points (resume-writing, benefits, and more) one faces in the transition. Everything B2B does is always free - register with Boots to Books to be informed about future events and scholarships [here](#) and follow their LinkedIn [here](#) to see current and upcoming opportunities!

#### Hope Farms

Warriors to Farmers, a unique training program offered to military veterans by Hope Farms in Houston, TX, is committed to expanding the ranks of successful urban micro-farmers on the Gulf Coast. Veterans can earn scholarships and stipend for completing their training, gain additional experience with an apprenticeship, and qualify for ongoing mentoring and business incubation for their new farm. New cohorts accepted each spring. Deadline to apply January 31 each year.
