JOBS WITH GLAXOSMITHKLINE

TERRITORY ACCOUNT MANAGER

Raleigh, NC

Seeking an experienced, results-driven professional in Specialty Sales for the position of Territory Account Manager (TAM) on the long-acting HIV Prevention Sales team. The ability to thrive in a fast-paced, complex environment and work with HCPs to adopt a new approach to HIV prevention abilities to partner cross-functionally and to remain highly adaptable in a launch context will be critical. It is expected that the successful candidate will have demonstrated experience in developing strategic business plans with specific, measurable, action-oriented objectives in accordance with territory and account level goals.

PROCESS LEAD

Zebulon, NC

As a Process Lead you will lead day-to-day production activities to deliver safe, high-quality products. You will coordinate people, equipment and schedules on the shop floor. You will coach team members, solve problems and work closely with quality, engineering and planning. We value leaders who are practical, curious and committed to continuous improvement. This role offers clear growth, real impact and aligns with our mission of uniting science, technology and talent to get ahead of disease together.

ASSOCIATE AUTOMATION ENGINEER

King of Prussia, PA

As an Associate Automation Engineer, you will be responsible for providing engineering and technical support for process controls and manufacturing execution systems in the Biopharmaceutical Operations facility. Evaluate and develop technology, plan and implement modifications, troubleshoot and support process controls and manufacturing execution systems and assist in night shift troubleshooting activities during processing operations.

MANAGER, PUBLIC POLICY

Washington, D.C.

The Manager, Public Policy is a key member of the US Public Policy team. The Manager will report to the Director of Policy and Reimbursement and will work closely the policy and broader government affairs teams as an analyst and thought partner. This role will work across and partner with the Public Policy team at large on key issues including but not limited to: 340B, price controls, reimbursement coding and payment, patient access and other key prescription drug policy issues.

FEATURED TRAINING PARTNERS

Pelham Specialty Training, Inc.

[Pelham Training](#) provides EMT and paramedic programs renowned for their commitment and high success rates.

Our EMT program is a comprehensive 17-day course designed to prepare students for immediate emergency medical response, while our paramedic program spans 3.5 months with a strong emphasis on practical skills and real-world application.

At Pelham Training, both programs are dedicated to fostering student success, as demonstrated by our exam pass rates and a curriculum tailored to ensure students are well-prepared for their roles in emergency medical services. For more information, please visit [pelhamtraining.com](#).

[Georgia Military College](#)

At [Georgia Military College](#) (GMC), our commitment is to develop leaders through programs that foster individual growth and teamwork, all rooted in the principles of servant leadership. We are dedicated to providing Active Duty, National Guard, Reserve, Veterans, and their families with flexible online learning options. Additionally, we recognize and apply your military training as college credits.

Accredited by the Southern Association of Colleges and Schools Commission on Colleges, GMC offers a diverse range of Associate's and Bachelor's degrees, all available 100% online. Understanding the unique challenges and aspirations of being a military service member, partner, spouse, or dependent, we provide enrollment and graduation coaches to guide you throughout your educational journey.

GMC operates several in-seat locations across Georgia, but our Global Online Leadership College extends its services nationally and internationally with no out-of-state tuition, no application fees, maximum military credit transfer, and comprehensive tuition and Veteran's assistance. Our partnership with Hire Heroes USA further benefits service members and their families with a 10% discount on tuition and fees.

Whether you or your family members are looking to advance your education individually or together, our tailored programs are designed to align with your military lifestyle. For more information, please email externalrelations@gmc.edu, or request to be contacted by a member of the GMC team [here](#).

[Collin College](#)

[Collin College](#) is a veteran-friendly college district which prides itself on delivering an exceptional education at an affordable cost. The college's Technical Campus offers workforce programs with industry-recognized certificates and two-year degree programs in Automotive Technology, Biomedical Equipment Technology, Collision Technology, Computer-Aided Drafting and Design, Computer Networking, Construction Management, Construction Technology (including carpentry, electrical, facilities management, plumbing, and safety), Electronic Engineering Technology, HVAC, Health Sciences, Industrial Automation, Interior Design, Welding Technology, and more.

The college's Veterans Resource Centers provide students with information and assistance with financial aid, Veterans Administration benefits, personal counseling, and opportunities to socialize. Collin College has received multiple recognitions as a Best for Vets College by the Military Times, a Top College by Military Advanced Education & Transition Magazine, and as a Military Friendly® School.

For more information, email technicalcampus@collin.edu.
